Dated 15/7/2020

Dear Parent,

Greetings and I hope you and your dear ones are safe and healthy.

Firstly, I would like to congratulate all on the splendid Class XII Board Exam results. Like always our students have done us proud by securing the ranks of District Topper 3rd year in a row and I am proud to say that this year 43% students scored more than 90% marks while 100% students scored above 65% Marks. Even class X have scored 100% result.

The excellent performance of our students is due to the efforts of teachers, children and their parents. Our teachers have been working diligently day and night to ensure that students do not lag behind academically during this pandemic.

Now, it is the responsibility of the parents to ensure that the school is able to function smoothly by fulfilling their financial commitment to the school. I humbly request those parents who have not yet paid the Tuition Fee for the months of April, May or June 2020 to do so immediately. We have already sent 4 reminders for the same and this is the Final Reminder. Until and unless financial obligations are met, it is difficult for all stakeholders to continue to have a healthy relationship.

I pray that we continue to be a joyful synergetic family.

At KVM, Together We Can and We will Fight this challenge and emerge stronger.

With Lots of love and Blessings,

(Mrs. NavitaPuri)
