"CBSE New Generation School"

(Affiliated to Central Board of Secondary Education upto Senior Secondary Level)

Ref. No. KVM/272

Dated 22.06.2021

Dear Parents,

Greetings and I pray that you and your loved ones are all well and taking care of yourselves.

I sincerely hope our dear students are rejuvenated after the Summer break and eager to continue with their academic experience when the school reopens on 24th June, 2021.

The session 2021 is already underway with the first term unit tests held in May. The students of all classes were able to showcase their academic excellence through the unique forms of assessment adopted this year. We promise to continue to innovate our pedagogies so that our students can achieve their true potential.

I am indeed grateful to all the parents who fulfilled their financial obligations and thus contributed to the smooth functioning of this institution. In consideration of requests received from many of you, regarding waiving off some charges in the fee amounts, our school management has magnanimously decided to postpone collection of some charges in the fee to be paid for the current quarter. Those of you who have already paid the full amount can rest assured that the surplus amount will be adjusted in the fees you pay for the next quarter. The new fee structure is already available on the school website for your perusal. Also, we are in talks with ICICI Bank, and they have assured us that soon no extra handling charges will be applicable, when you deposit the fees through their payment gateway. I humbly request all those parents, who have still not paid the fees for the first quarter, to submit the fees as early as possible, to maintain this excellent synergy between all of us stakeholders.

I am certain that our students will soon be back in the campus and we can and we will continue to emerge stronger together.

With warm regards,

Navita Puri
