"CBSE New Generation School"

(Affiliated to Central Board of Secondary Education upto Senior Secondary Level)

Ref. No. KVM/475

Dated 09.01.2021

Dear Parents,

Greetings and I hope you and your family are all well and taking care of yourselves.

As the year ends, we reflect upon the lessons we learnt in 2020 which was a year like never before.

This year taught us to value our loved ones and we learnt what matters to us most. We at KVM; ensured that even during these adverse times, the academic progress of our students went ahead and the staff and school put in huge efforts to ensure that learning and even extra-curricular activities took place the same way as they did every year.

We are indebted to all the parents who extended full co-operation to the school. Most of the parents also ensured that they fulfilled their financial obligations so that things run smoothly for everyone.

The fee for the 4th Quarter i.e. for the months of January to March 2021 is now due. It must be deposited by 30th Jan. 2021 online or at the school premises. Please ensure that all your dues are cleared by 20th Jan, 2021. We regret to say that some of you have still not cleared the fees of their wards till the 3rd quarter. Please do so immediately to avoid any harsh measures.

If any dues are pending after 30th Jan.2021, it will be considered as a sign of your disinterest in continuing the education of your ward in this institution. If you have any issues regarding the same, please give a formal communication addressed to the School Principal for consideration. We have been considering such cases when properly communicated.

Wishing you all a very Happy New Year and praying that it brings good health and cheer to all.

*With best wishes always -
Navita Puri*
