Dear Parent,

I sincerely hope that our loved ones are safe and happy during these adverse times.

We at Kundan Vidya Mandir, sincerely believe that "When times get tough, the tough get going". Our faculty has ensured that our students do not lag behind, so our teachers have been conducting online classes successfully for nearly a month now.

I would like this opportunity to ask for your co-operation, for the continued success of this enterprise. Please ensure that your ward attends these classes punctually and regularly.

The extended lockdown has lead to there being some changes in our schedules. The various school functions, inter house and intra class activities are postponed till the school reopens.

There has also been change in the schedules for Summer, Autumn and Winter Vacations this year which will be informed to you very soon.

We are working on means to assess the students through some form of testing and examination, the details of which will be sent to you in the coming days.

I am pleased to inform you that our students continue to bringing laurels to their alma mater during the lockdown too. Sonakshi Mahajan won the first position in the Inland Letter contest and has been awarded a cash prize of Rs. 25000. Our Nightingale Tashmeen Kaur of Class XI was the 2nd runner up in All India Way2Fame Quarantine Singer Online Talent Hunt.

I once again urge all of you to keep yourself safe by observing proper social distancing, wearing masks, washing your hands regularly and eating properly and staying fit. Please use this time to build a strong bond with your wards which will prove to be their greatest strength in the times ahead.
