Dear Parent,

Greetings and I hope you and your loved ones are well and taking care of themselves.

I wish to convey my heartfelt gratitude to all of you for your wholehearted co-operation in all our endeavours including the Virtual Annual Athletic Meet held on 28th November, 2020. We received nearly 200 videos from each class of different activities and the event was a roaring success.

I also wish to thank you for meeting the financial obligations and I am glad to inform that except for a very few, the fees up till second quarter has been received for almost all the students. I humbly urge those who haven't yet paid the fees till the second quarter to clear their dues at the earliest.

I also take this opportunity to request you all to pay the pending fees of the 3rd Quarter which was due on 30th October, 2020. If you opted for paying them monthly then the due dates for October and November 2020 were 26th October, 2020 and 25th November, 2020. Also the fee for the month of December can be paid till 21st December, 2020. I humbly request those who have not deposited the fees of these months to please do because smooth functioning of an institution can happen only if all of us fulfil our financial obligations in time.

Please ignore the reminder if already paid.

I firmly believe that by working together harmoniously we have been able to ensure that our students did not lag behind academically or in extra-curricular activities and "Together We Can and Together We will" emerge stronger through these adverse times.

With lots of love and Blessings.

Mrs. Navita Puri,

Principal
