

# KUNDAN VIDYA MANDIR

"CBSE New Generation School"

(Affiliated to Central Board of Secondary Education upto Senior Secondary Level)

Ref. No. KVM/379

Dated 28.07.2021

Dear Parents,

Greetings and I hope you and your loved ones are well and taking care of yourselves.

We are pleased to announce that significant steps have been made towards normalcy as students of Classes X to XII have started attending offline classes. We are thankful to all of you for having extended full co-operation in observing all safety norms as students return to school and resume normal schooling life. We hope that students of all the other classes will also return to school in the coming month.

As life moves towards resuming normalcy, we express our gratitude to all the parents who fulfilled their financial obligations on time to maintain synergy between all stakeholders. It is now time for payment of the fees of the second quarter of this session. The Fee structure is already put up on the website and the due date for depositing the fees is 14th August, 2021. You can deposit the fees online or drop the cheques in the drop box near gate number 2 with details of the student written at the back. Since students are already attending school, for precautionary safety measures, it is preferable that you avoid coming to school for depositing fees in cash.

Let's ensure that we remain on the path of normalcy by following all safety guidelines so that together we have and we will emerge stronger.

With warm regards,

*Navita Puri*
