Dear Parent,

Greetings and I pray that you and your dear ones are well and safe during this pandemic.

I wish to express my sincere gratitude for your support and cooperation during these difficult times. Your appreciation and cooperation with online teaching and assessment has really boosted the morale of the school staff and we are extremely grateful for it.

I am also highly thankful that many of you heeded my last message and paid the remaining tuition fees for the months of April and May 2020 which were due on 5th June, 2020 and 20th June, 2020. I humbly request the remaining parents to pay the tuition fees of these months at the earliest. I would like to take this opportunity for a gentle reminder that the tuition fee for the month of June 2020 is also due by 5th July, 2020.

I am pretty sure that you will continue to extend your support and cooperation to us and Together We can and Together We will battle this adversity and come out stronger.

With lots of love and Blessings,

Navita Puri
