Dear Parent,

Greetings and I hope this finds you and your family safe and happy.

As you are already aware the school has reopened after the summer break and our teachers are diligently working to provide quality education to our students. We have started live classes so that the students interact and receive the personal touch that they were missing.

As I have pointed out before it is essential that financial commitments be honoured for a healthy relationship. KVM has been magnanimous enough to have asked for only tuition fees to be deposited for the first quarter and that too is the same as last year without any increase. But I am sorry to say that many of you have still not deposited the tuition fees for the months of April, May and June 2020. You are requested to deposit the Tuition fees for these months before 30th July, 2020 positively.

With lots of love and Blessings.
