Dear Parent,

Greetings and I hope you and your dear ones are well and taking care of yourselves.

We are approaching the middle of another year of the pandemic. While the situation seems to have normalised a lot recently, I still urge you and your family members to take safety precautions. We are thankful that our students are back in school and getting back to their normal routine. As mid-term exams start this month, I urge you to ensure that if your ward is giving the examinations online, he/she does not indulge in any unfair means. Exams are a tool for self-assessment and cheating during the exam defeats the very purpose. So please encourage your ward to perform the tests honestly.

While we are grateful that all of you have been fulfilling your financial obligations during the adverse times, we are sorry to say that some of you have still not paid the fees for the first and second quarter of the 2021-22 session. I humbly request you to please clear all your financial dues immediately and not force us to resort to harsh measures.

I am sure that as we have unitedly faced these challenging times, Together We can and Together we will continue to emerge stronger.

With warm regards,

(Mrs. NavitaPuri)
Principal
