Dated 24.7.2020

Dear Parent,

Namaskar and I hope you and your family are safe and doing well.

We all at KVM have to fight this pandemic as a family and get through it. Our teachers are putting in their best foot forward to ensure that the students are imparted education in the best possible manner through the online medium.

For us to be able to work harmoniously through these challenging times, it is essential that financial commitments are met. We ensure that all Government orders are followed strictly regarding Fee collection. Our Management has been magnanimous enough to not raise the Tuition Fee and it is being charged at the same amount as last year.

For the 2nd Quarter, the fees must be deposited by the following dates :

- For the Month of July 2020, the Fee must be deposited by 10th August, 2020.
- For the Month of August 2020, the Fees must be deposited by 30th August, 2020
- For the Month of September, 2020, the Fees must be deposited by 20th September, 2020

(The structure of fees to be paid for the second quarter is put up on the website for your kind reference.)

The fee payment can be done online through the school E-care App, PayTM, or through Cheque/Bank Draft to be deposited in the school office.

Together We can and We will fight this and come out stronger.

With Lots of Love and Blessings,

Mrs. Navita Puri,
Principal
